Environetics Welcomes Boban Trajkov

Environetics is pleased to announce that Boban Trajkov has joined the firm's MEP Engineering team. Boban is a graduate of Drexel University where he received a Bachelor of Science in Applied Engineering Technology, with a concentration in Electrical and Mechanical Engineering. Boban has previously worked with IP Group Engineers, Ballinger and Maida Engineering.

"Boban is a wonderful addition to our team. His education and proven personal drive aligns well with the firm and he will be an asset to our team" says Jeffrey Smith, Principal.

About Environetics

Collaborating with clients, whose values they share, Environetics seeks to create environments that make a positive difference in the lives of their users and for the community.

Environetics is a full-service architecture, interior design, engineering, and planning firm specializing in the corporate, academic, healthcare, industrial, hospitality and retail markets. With independently owned offices located in Philadelphia, New York, New Jersey and Los Angeles, and over 125 staff the alliance can access a broad geographic area and knowledge base to better serve our clients.
